

Create the taste of Italy

Tomatoes are summer favourites and homegrown tomatoes taste so much better. You don't need a big backyard; tomatoes are easy to grow in pots too. One of the easiest and hardiest tomatoes is the little cherry tomato.

1. **Start by choosing a suitable pot.** **Yates Tuscan pots** look great in every style of landscape.
2. **Fill the pot with Thrive Premium Potting Mix.** It contains slower release fertilisers that will continue to feed your plants.
3. **Sow Yates Tiny Tim tomato seed into the potting mix.** Add some herbs around the outer edge of the pot to help keep the bugs away. Water in well.
4. **As the seedling begins to appear add some Thrive Liquid Tomato Plant Food** to give your seedlings a great start.
5. **Continue to feed each week with Thrive Soluble Plant Food.**
6. **Protect your new tomatoes by using Yates Tomato Spray or Guardall** to help keep the bugs and fungal diseases at bay.
7. **When your tomatoes are ripe, how about making a traditional bruschetta!**
